A large-scale photograph of an offshore oil rig at night. The rig is illuminated by numerous yellow and white lights, creating a stark contrast against the dark blue twilight sky. The structure is complex, with multiple levels, walkways, and a prominent derrick on the left. The rig is situated in the middle of the ocean, with the dark water visible in the foreground and background. A semi-transparent blue box is overlaid on the right side of the image, containing the text.
