UNBOXED: Creativity in the UK  
Once in a life time celebration of  
creativity, across UK, 2022

# STEAM meets decom

Offshore industry meets onshore arts and culture

“a pioneer towards a greener future, SEE MONSTER will explore the concept of inherited structures, be those physical, social, or environmental. What do we do with the structures we inherit? And what actions can they inspire?”

Removing the mystique of decom?

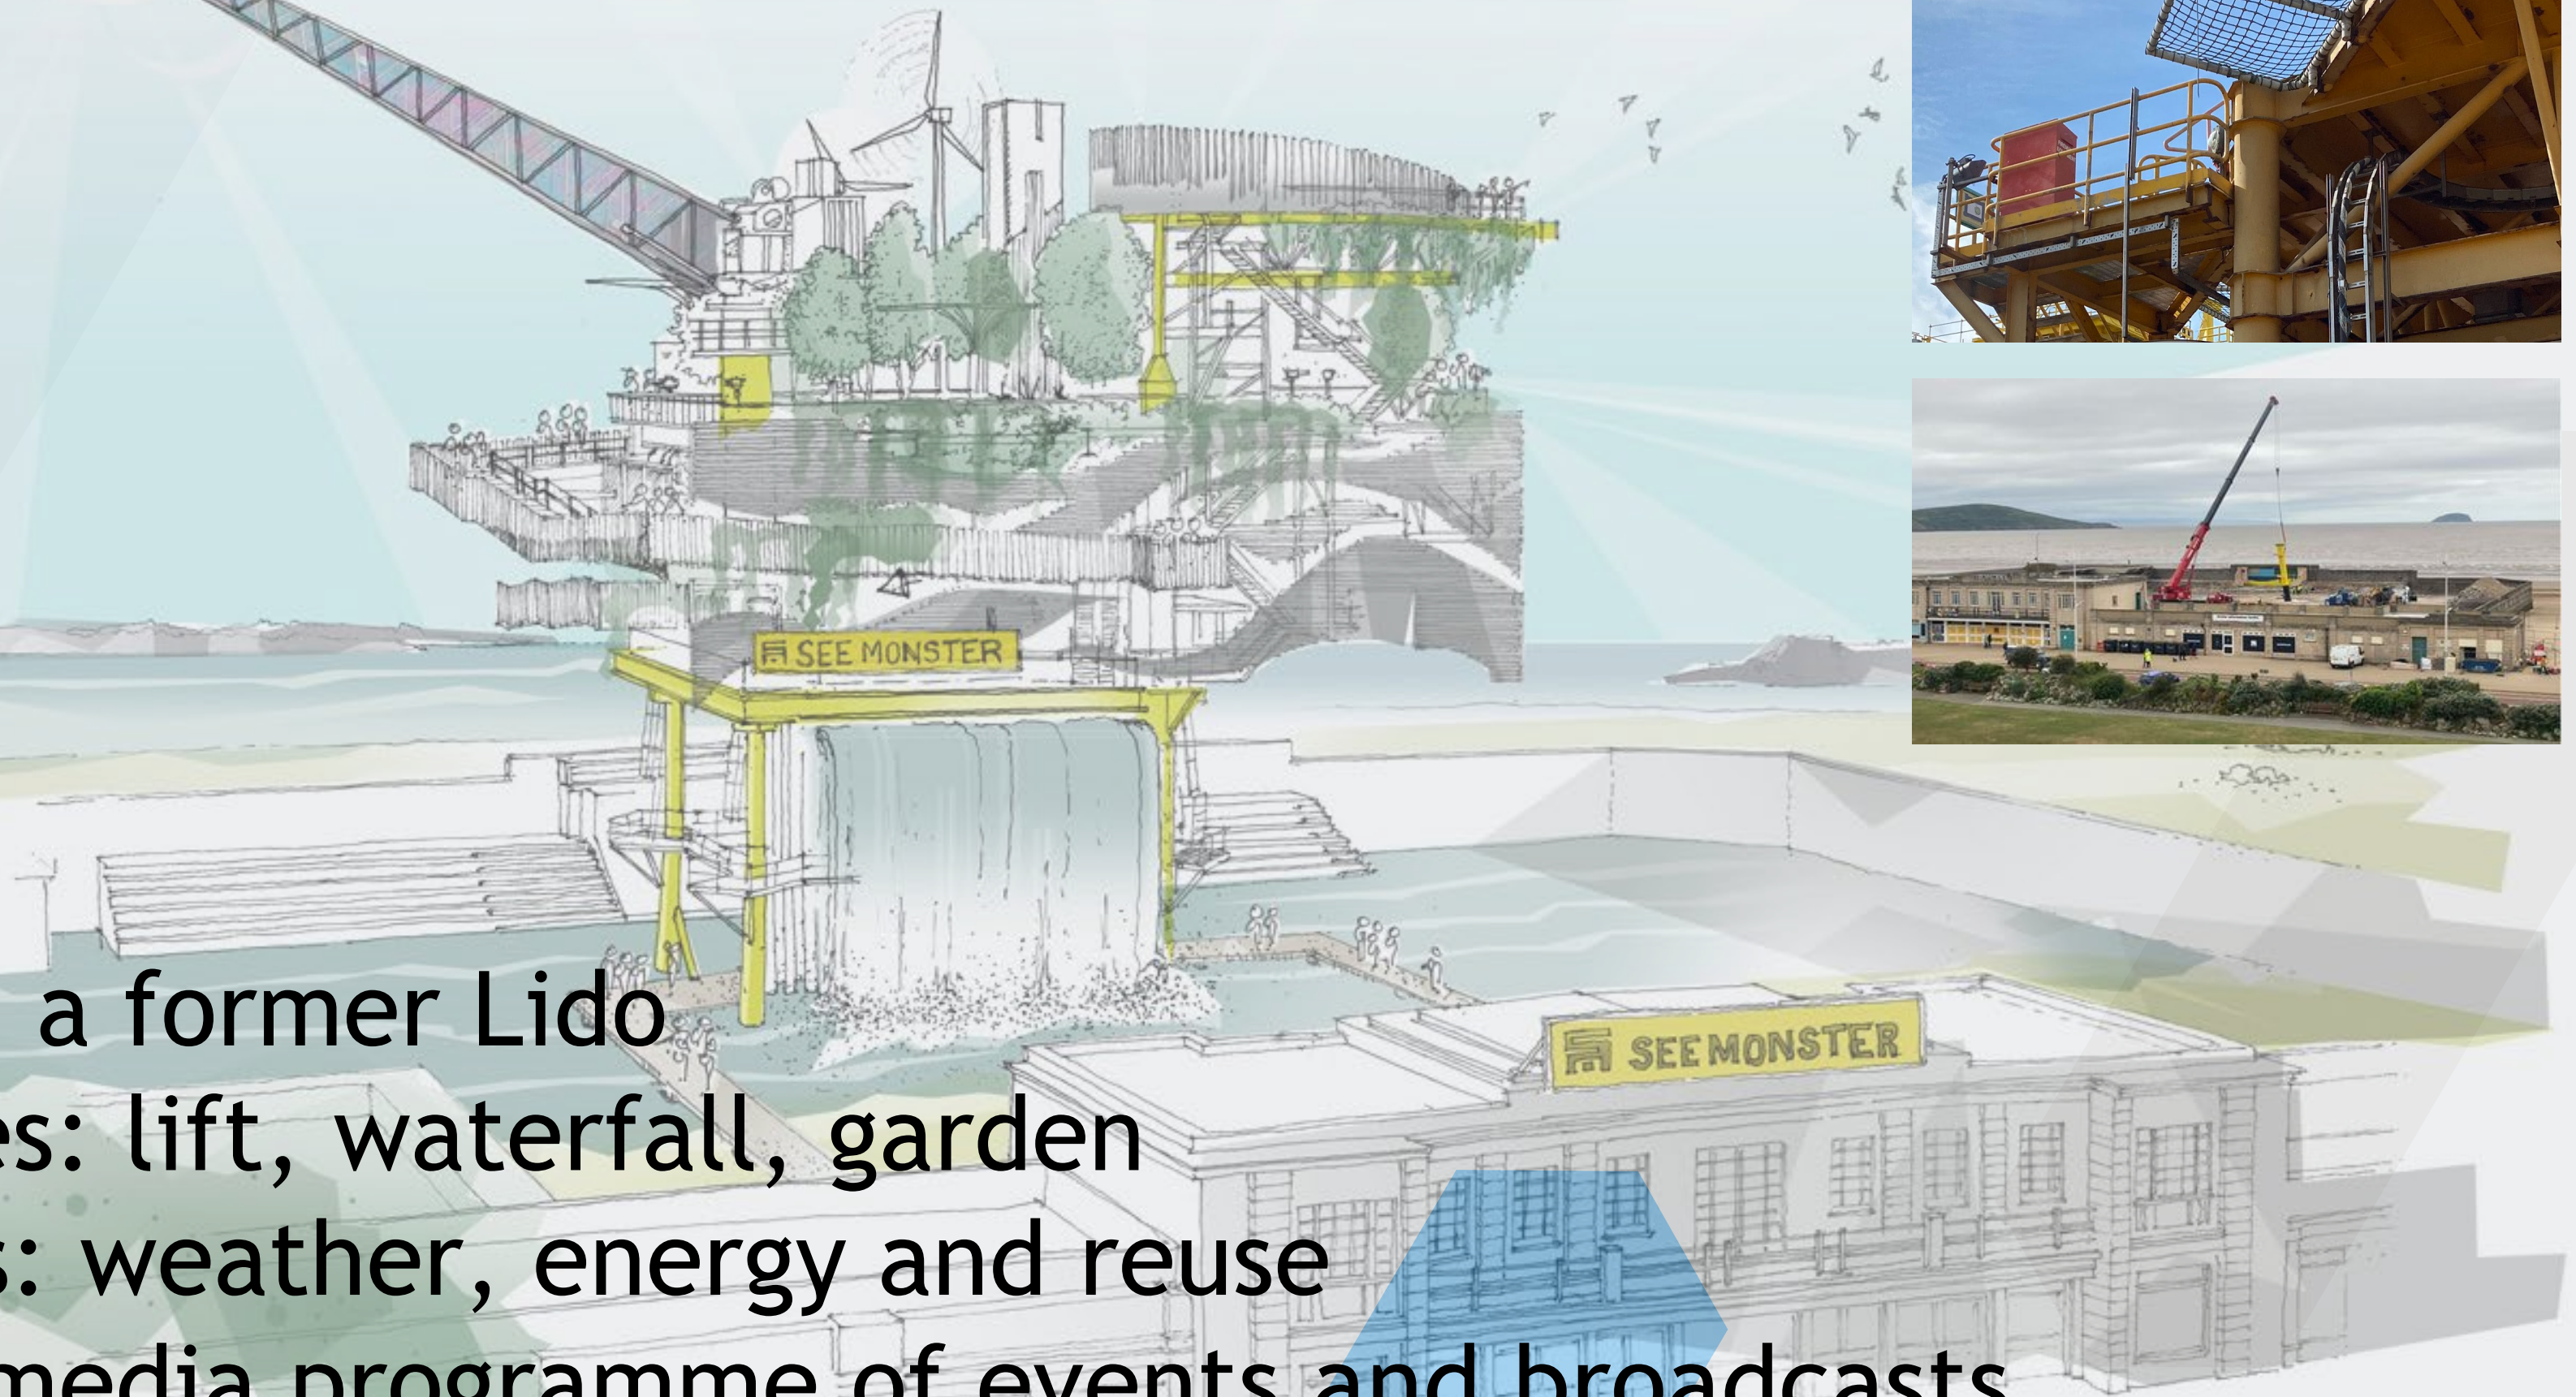

# Venue: Weston Super Mare

# Dismaland, 2015

# See Monster

Sited in a former Lido  
Features: lift, waterfall, garden  
Themes: weather, energy and reuse  
Arts & media programme of events and broadcasts

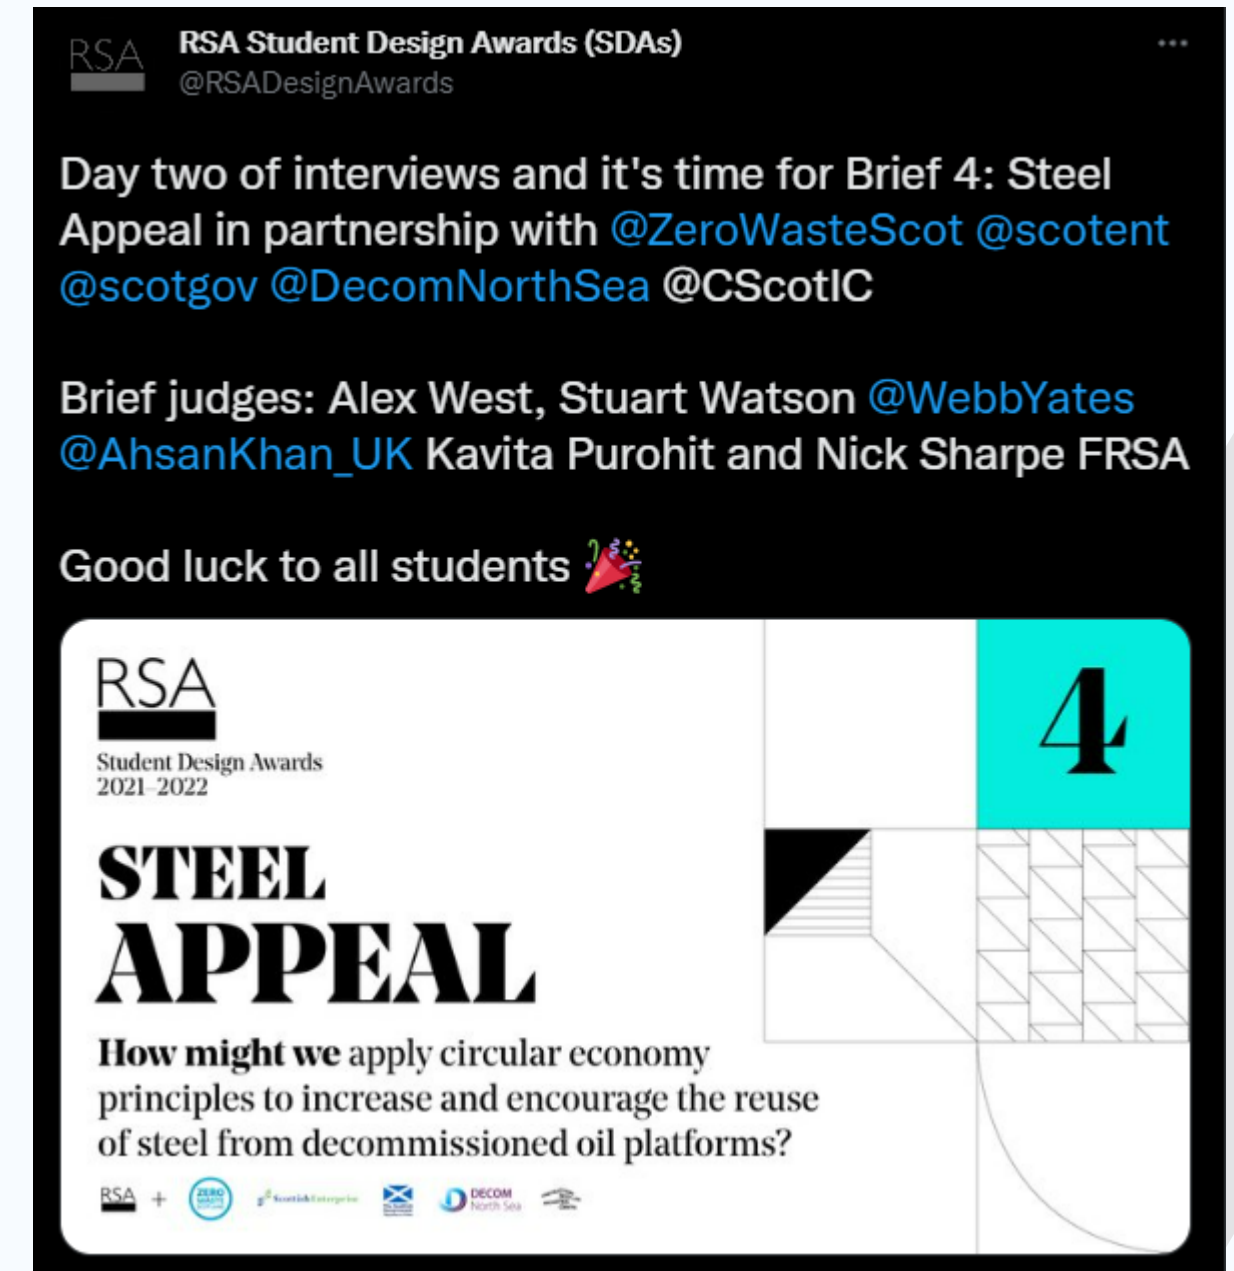

# RSA: Steel appeal

## Student design competition

- How might we apply circular economy principles to increase and encourage the reuse of steel from decommissioned oil platforms?

## Partners

- [RSA](#), Zero Waste Scotland, DNS, Scot Ent, Scot Gov
- A West, Judge (DNS)

# Broadening our audience

Why can't this be Aberdeen, Blyth, Norwich...?
